Mike Zimmerman

FRIENDS OF OASIS PRESIDENT

How in the world can it be "Tax Time" already? I'm sure you too are maybe stressed out to make sure we have our paperwork in order, and our checkbooks handy, to get this "dirty deed" out of the way. We have a free AARP tax service at OASIS, from 2-6-2024 up until 4-9-2024. Check your Newsletter for more information. May 18th is our OASIS Community Resource Expo in our courtyard and in the Event Center, for all residents to come and see all the various vendors that help seniors with free class

demos, and wellness lectures, as well as a free breakfast for all.

Members of our Board of Directors were in attendance a few weeks ago at the annual Mayor's Dinner. Will O'Neill is our Mayor for the second time, while Joe Stapleton (a current City Council member) is Mayor Pro Tem, which means he is in the "Batter's Box" warming up to be the next Mayor. Both Will and Joe (as well as the rest of our City Council) are big supporters of OASIS and especially our own Friends of OASIS. They are frequently seen on campus and are generous to all our requests.

For your information: Once a year, we elect a new Board of Directors. This, and every year, in April we have at our General Meeting a "candidate introduction" to those attending. Each candidate has a few minutes to talk and ask you for their support and vote. Your May Newsletter will contain a ballot and candidate statements, that you will need to complete and return it to the Friends office, as we will have the usual "ballot box". I commend anyone who takes on this responsibility of being a Friends Board Member, as it is a commitment for three years, including monthly meetings and duties. The final votes are counted on June 7th, with 5 Directors being elected. It is a fair and well supervised election that is closely monitored and guarded. Best of luck to all the candidates!

Always at your service,

Mike

MOVIE TALK
 WITH THEO SIEGEL

WEDNESDAY, April 10

Event Center

EVENT STARTS AT 1:00 PM

We'll talk about the making of "Thunderball", and then show the film!

This 1965 film was the fourth in the James Bond series. Shot on location in the Bahamas, Miami, Paris and the studio soundstages in England, the film will be the first time that other "00" agents are seen with Bond in England's spy headquarters. Julie Christie, Faye Dunaway and Raquel Welch were all considered for the movie's main Bond girl before it was given to French model and actress Claudine Auger. The theme song sung by Tom Jones involved him holding the last note for so long that he passed out in the studio while recording it. Bond's car, the Aston Martin, figured prominently in "Goldfinger" makes a cameo appearance here in the pre-title sequence. Learn about these interesting facts and many more from the movie guy as we talk about "Thunderball" with Sean Connery, Claudine Auger and then show the movie.

You will have lots of choices in Uptown with many galleries, gift shops, cafes and restaurants for you. From Uptown you can take an optional trolley ride to the Chapel of the Holy Cross which is built right into the red rocks. And no visit to Sedona is complete without seeing Tlaquepaque, a famous arts and shopping village nestled beneath the shade of the sycamores on the bank of the beautiful Oak Creek. B

Day Three: This morning, we will visit the old mining town of Jerome up on Cleopatra Hill. Definitely a quirky town it has its ghost stories, a sliding jail and one of the largest kaleidoscope stores around. Driving back down the hill, the whistle of the Verde Canyon Railroad is calling us. We will take a 4-hour - 20 mile round trip from Clarkdale to Perkinsville through over 100 years of history. The historic route follows the meandering Verde River, with bridges, towering red rock buttes and through a 734 foot man made tunnel.

Treat people the way they deserve to be treated

We've found out that when companies put PEOPLE FIRST, everything else seems to fall into place.

The Problem: Aging in place is truly complex

- By 2030, nearly **1 in 5** Californians will be age 65 or older, according to the nonprofit Public Policy Institute of California. The state will be facing a shortage of as many as **3.2 million** care workers by then.
- The US is facing an epidemic of senior loneliness and social isolation which is associated with about **50%** increased risk of dementia and other serious medical conditions. NASEM reported that **more than 30% of adults aged 45 and older** feel lonely, and **nearly one-fourth of adults aged 65 and older** are considered to be socially isolated.
- Home Care Pulse's 2023 Benchmarking Report states that Home Care Industry's turn-over rate soars to **77.1%**
- Caregivers are overworked and undervalued. The Low Wages, Lack of Benefits, Recognition and Appreciation, Limited Career Advancement are a huge driving force for workers to go "gray" and gray workforce is becoming a growing problem for the long-term care industry, PHI National estimates that there are **4.6 million** direct care workers nationally.

Our Strategy: Happy Employees Create Better Companies

Magnificare LLC is on a mission to advance the quality of lives of our aging loved ones and their caregivers not in a fake, sunshine-and-rainbows type of way, but with a real, human-powered, data-driven approach.
